THIS APPLICATION IS SUBJECT TO WITHDRAWAL FROM ISSUE AT THE INITIATIVE OF THE OFFICE OR UPON PETITION BY THE APPLICANT. SEE 37 CFR 1.313 AND MPEP 1308.

DETAILED ACTION

1. Claims 20, 22-26, 28-32, and 34-37 are allowed. These claims have been renumbered as claims 1-15.

Drawings

2. The drawings filed on February 19, 2004 are accepted by the Examiner.

REASONS FOR ALLOWANCE

3. The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record does not render obvious to one ordinarily skilled in the art at the time of applicant's invention nor anticipate the combination of claimed elements including "extracting metadata of the persons from among electronic documents that include information about the persons; linking the metadata extracted based on a co-occurring relationship of the information about the persons in the electronic documents" and "displaying the personal connection map graphically based on the retrieved secondary metadata displaying a tree structure based upon eliminating from the personal connection map a first link representing a weakest personal connection among N links, N being an integer greater than one, when a closed loop is formed by N nodes and the N links in the personal connection map, the tree structure including the N nodes

Art Unit: 2167

and N-1 links other than the first link” as recited in independent claim 1 and similarly recited in independent claims 26 and 32.

The remaining claims, 22-25, 28, 29-31, and 34-37, are dependent claims, thus these claims are patently distinct over the art of record for at least the above reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
